

CTR Command

A concentrated toilet and urinal cleaner which quickly removes rust, scale and uric acid deposits. Its unique formula does not produce fumes like some cleaners and is safe to use on stainless steel. Command is a commercial grade disinfectant when used undiluted.

Commercial Grade Disinfectant

Thickened formula improves contact time

2 in 1 - Cleaner & Disinfectant

Reduces hand polishing

Removes rust, scale & uric acid

Pleasant floral fragrance - no fumes

Spotlessly clean results

Caustic Free

CTR Command

Use Instructions

For best results, use Command neat in a squeeze bottle. If using daily, Command may be diluted up to 1:6 (100ml/600ml spray bottle).

As a Commercial Grade Disinfectant: Use undiluted. Apply Command to the bowl or urinal from a squeeze bottle if neat, or spray bottle if diluted. Ensure the sprayer is not adjusted to a fine mist. Use a brush to ensure the solution covers the entire surface. For heavy stains, allow solution to contact for up to 2 minutes. Flush the toilet/urinal and wipe off any residue from around the top of the bowl/urinal or on the seat.

Safety Information
